PROFILE YOURSELF!®

IT questo sistema, tanto semplice quanto geniale, è nato dalle sollecitazioni che ci presenta l'architettura moderna, con i suoi vasti open space realizzati in vetro e in metallo: per queste esigenze c'è bisogno di un sistema universale e completo, che sia modulare e che si possa utilizzare come allestimento autoportante o mobile, avendo allo stesso tempo la possibilità di essere applicato a parete e a soffitto. deve essere inoltre un sistema elegante e trendy che permetta di arredare gli spazi vuoti e di rappresentare uno strumento di presentazione, facile e veloce da montare. sembra quasi la quadratura del cerchio? sì, è proprio SOISTES (che significa „é così“) venite a scoprire nelle prossime pagine tutto quello che potrete creare con le strutture soistes.

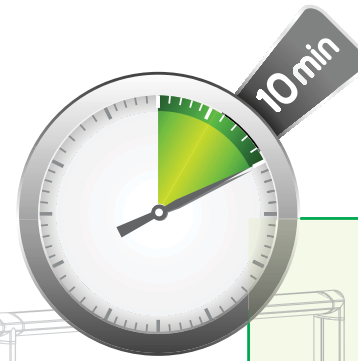

DE geboren ist dieses einfache wie geniale system aus der herausforderung, die uns moderne architektur mit ihrem grosszügigen open space in glas und metall stellt: hier braucht es ein durchgängiges und universelles system, das sich modular freistehend oder mobil aufbauen lässt und zudem für die wand- und deckenmontage geeignet ist. es soll ausserdem trendiges ambiente für einrichtung wie präsentation bieten und dennoch schnell und unkompliziert zu montieren sein. fast schon die quadratur des kreises? ja, genau SOISTES! entdecken sie auf den folgenden seiten was und wieviel sie mit soistes strukturen alles realisieren können.

EN this simple but ingenious system was born out of the challenges that modern architecture gives us, with its huge open spaces in metal and glass: the need for a universal system, that can be freestanding or mobil, that can be mounted to the wall or suspended from the ceiling, that creates a trendy ambience for interior decoration and presentation as well and that can be mounted quickly and easily. in short: a solution of striking simplicity for complex and multiple demands, which we called SOISTES. discover on the following pages what and especially how much you can realize with soistes structures.

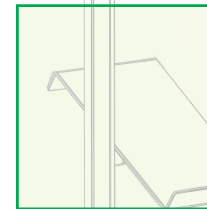

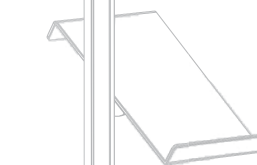

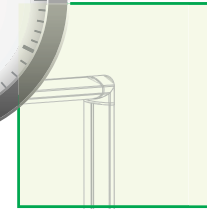

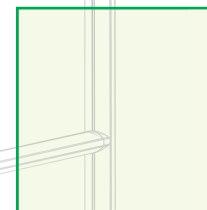

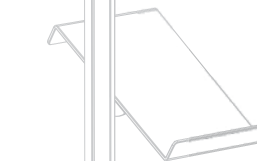

profile yourself®

i connettori angolari costituiscono le giunzioni per costruire la struttura base .
 mit den eckverbindern wird die grundstruktur aufgebaut.
 the basic structure is assembled using edge connectors.

dadi filettati per montare i ripiani regolabili in inclinazione ed altezza.
 mutsteine mit gewinde für die ablagenmontage, stufenlos höhenverstellbar.
 threaded nuts for the mounting of the trays, adjustable in height and inclination.

semplice e sicuro il montaggio delle traverse per una perfetta stabilità .
 einfache querstrebenmontage sorgen für hohe stabilität.
 easy to mount cross braces give high stability

soistes®

italian design by KD

MADE IN EU design by KD patented

IT i nuovi trend e le richieste del mercato oggi influenzano sempre di più l' arredamento e gli allestimenti in genere. questo richiede un sistema dinamico che si adegui in modo flessibile, rapido e funzionale. soistes è semplice da montare e si adatta a tutte le esigenze dello spazio che ha intorno. i materiali selezionati sono resistenti all' utilizzo quotidiano il tutto senza tralasciare una cura estetica moderna ed elegante. prendete spunto dai prodotti standard della linea soistes per approfondire la gamma attraverso un sistema modulare per l'arredo con il quale realizzerete le vostre idee.

DE ladenbau wie einrichtung unterliegen immer schneller neuen trends und marktforderungen. hier ist ein system gefordert, das schnell, flexibel und anpassungsfähig ist. soistes ist nicht nur einfach aufzubauen, es passt sich auch räumlichen gegebenheiten an. die ausgesuchten materialien halten täglichen belastungen stand und sind dennoch leicht in ihrer anmutung. abgesehen von den fertigmodulen, bietet soistes ihnen die ganze palette eines modularen baukastensystems, mit dem sie ihre einrichtungsideen im handumdrehen realisieren.

EN shop fitting and interiors vary according to new trends and market needs. this requirement asks for a system that is quick, flexible and can be applied to any situation. not only is soistes easily assembled, but it also adapts well to surrounding spatial needs. the materials selected withstand daily usage while still looking stylish and modern. in addition to the standard ready made articles, the soistes range gives you all of the advantages of a modular system, turning your ideas easily into reality.

soistes® ideas

Italian design by KD

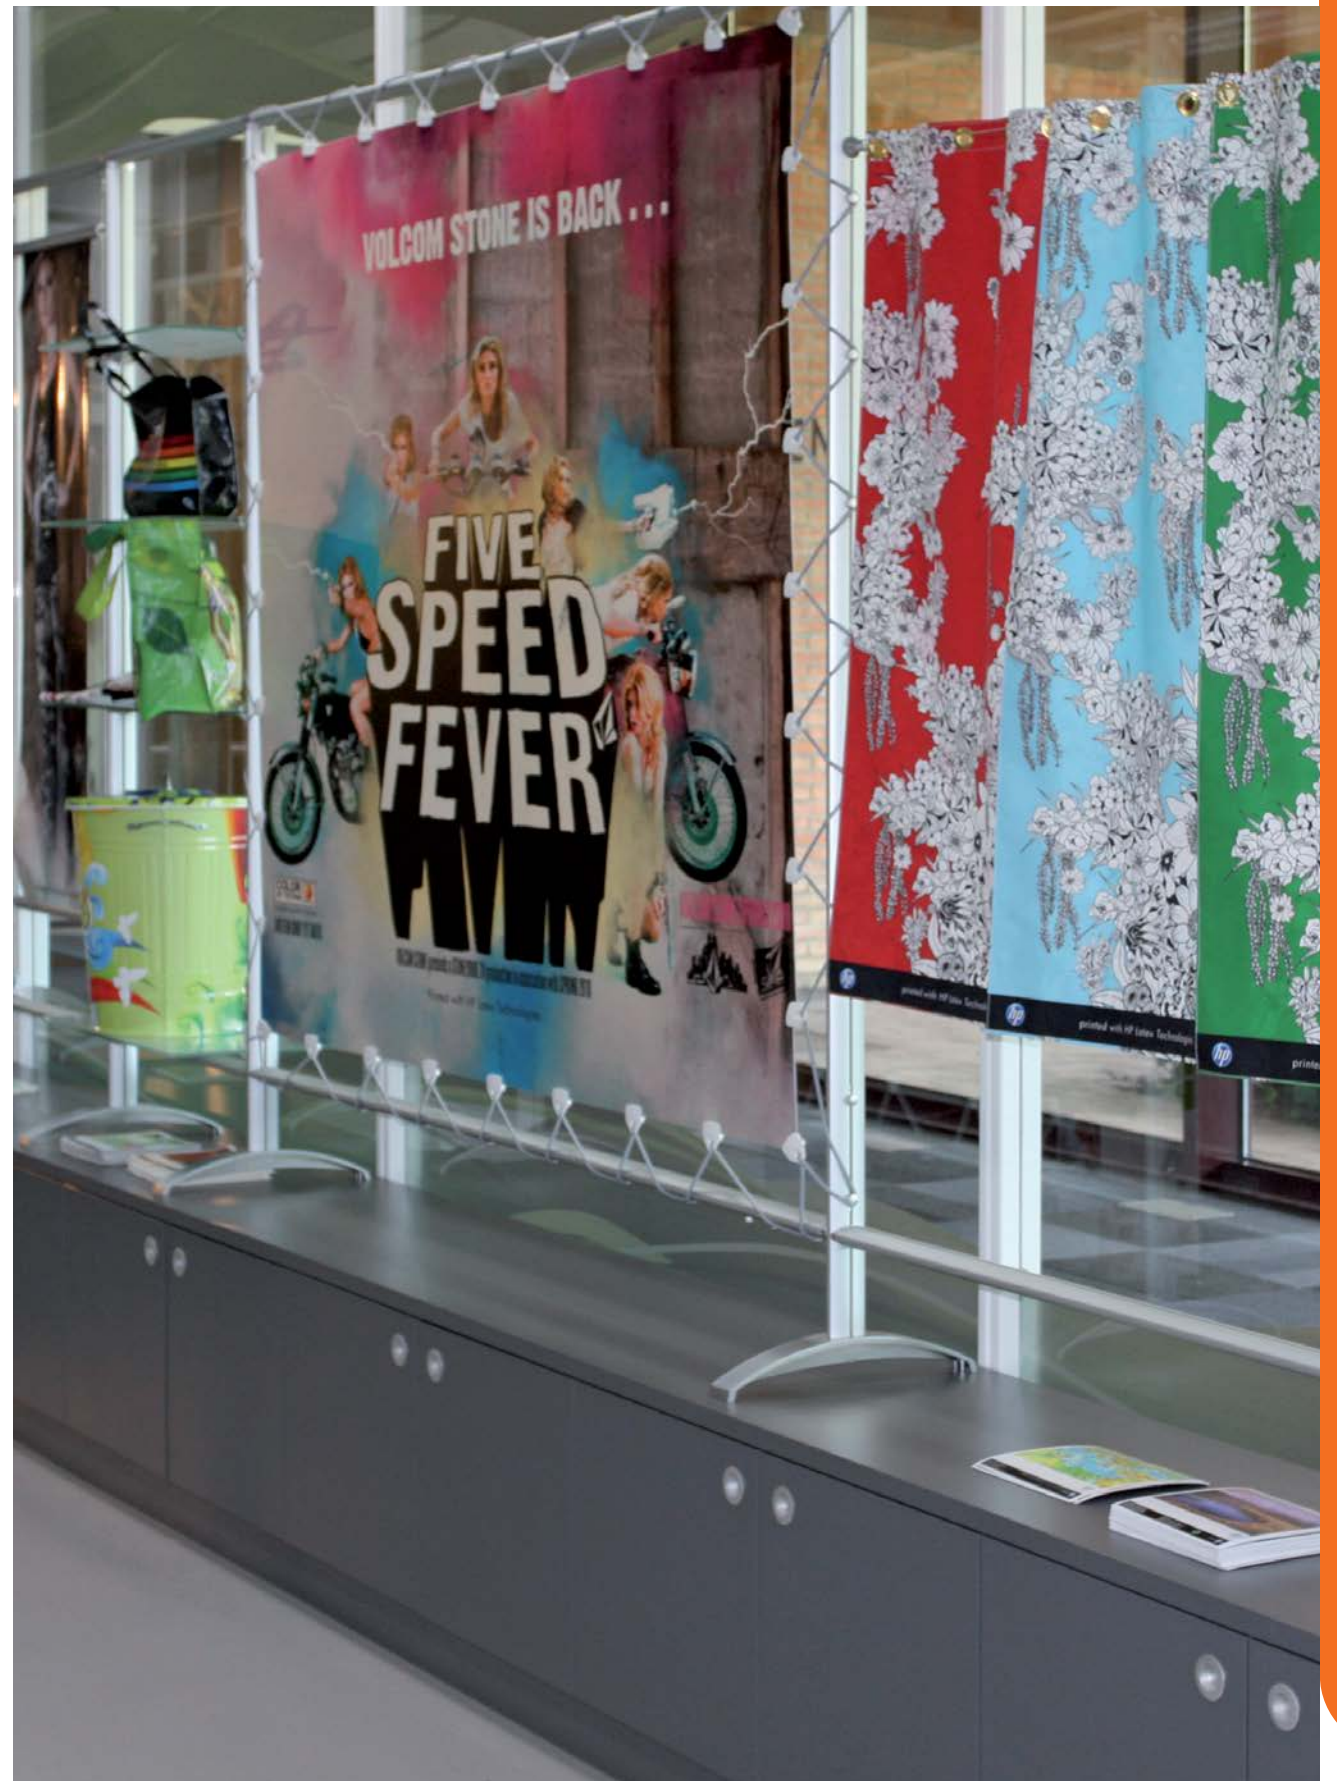

MADE IN EU design by KD patented

IT nelle pagine seguenti troverete tutti gli accessori necessari quali profili, connettori, angolari, piedini di appoggio, ruote e basi per la libera composizione della vostra personalissima struttura soistes. nell'ultima parte di questa sezione troverete inoltre la gamma completa di ripiani, scaffali, portaoggetti, portaposter e sistemi di fissaggio a disposizione per il completamento delle vostre creazioni con soistes.

DE auf den folgenden seiten finden sie alle erforderlichen profile, eckverbinder, füsse, rollen und basen für den bau ihrer ganz persönlichen soistes struktur. und im letzten teil gibt es alle ablagen, fachböden, objektträger, postertaschen und die erforderlichen befestigungen für sie zur auswahl.

EN on the following pages you find all the single components such as extrusions, edge connectors, feet, wheels and bases to set up your very own soistes structure. and in the last chapter you find a large variety of shelves, boards, trays, poster pockets and the required mounting supports for you to choose from.

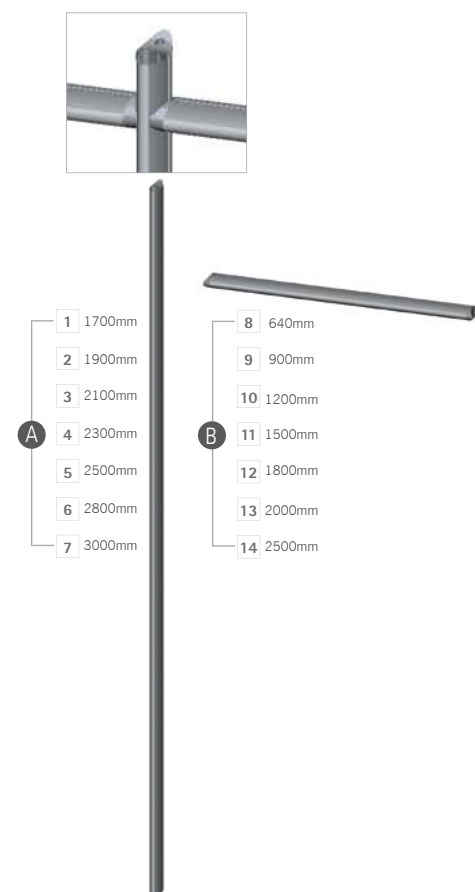

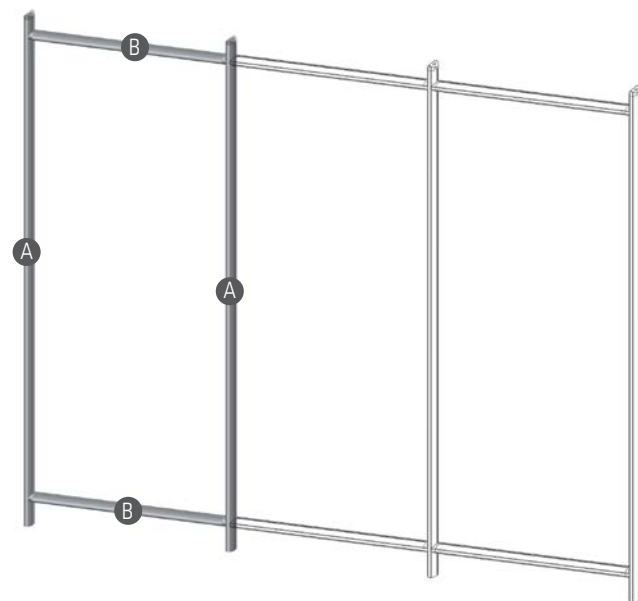

soistes® components

MADE IN EU design by KD **patented**

IT grazie a questi moduli pre-assemblati, la creazione ed il montaggio di strutture base soistes sono davvero semplici e veloci: basterà scegliere l'altezza e la larghezza, il tipo di terminale e il gioco é fatto. (frame A: montante e frame B: traversa).

DE mit diesen bereits abgelängten und mit verbindern vormontierten profil-O-modulen ist der aufbau der soistes grundstruktur ganz unkompliziert: einfach gewünschte höhe und breite sowie art des oberen eck-abschlusses (frame A überstehend, frame B bündig) auswählen.

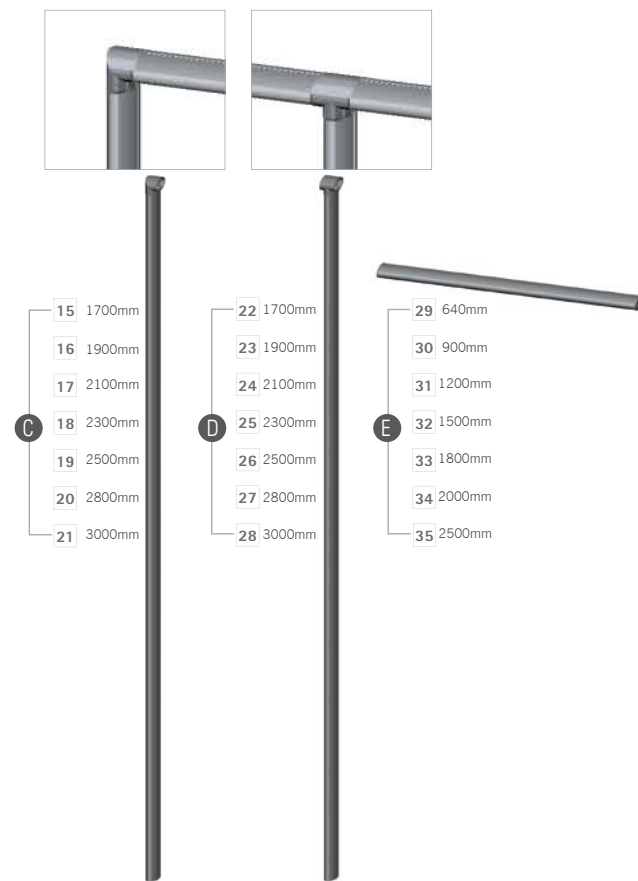

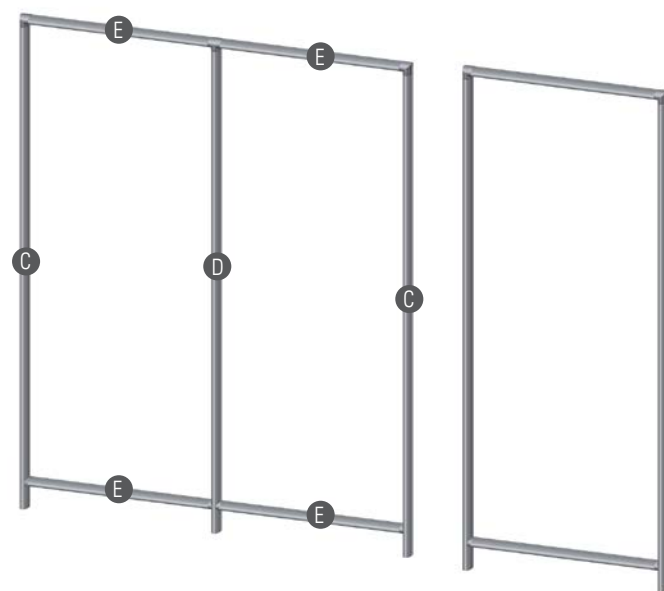

EN with these pre-cut extrusion modules and with connectors preassembled, the set up of the soistes basic structure is really convenient and easy: just choose the required height and width and which kind of corner connection (frame A overlying, frame B flush).
